BECKETT RANCH

Troy: 605.204.0394
 Tember: 605.204.0393
 21081 Beckett Ranch Rd., Miller, SD 57362

We at JHC are particularly excited and proud to bring to you this year's sale offering. Not only are we bringing you an extremely stout set of bulls and breed leading females, but we are also teaming up with fellow Chiangus Breeder and longtime friends Beckett Ranch, Miller, SD. Troy needs no introduction to our customers but what we can tell you is that his addition to this sale will be nothing less than exceptional. With one common goal in mind, raising top notch Chiangus & Chi-Influenced cattle, both operations are thrilled for the future of the "Hybrid's for Profit" sale.

It has been proven time and time again that Chiangus genetics are as good as any in the industry. Whether it is carcass merit, show ring phenotype or female and bull longevity, they are as good as it gets. We feel now, more than ever, that we absolutely have something for everyone in our sale and appreciate our customers' years of trust in our operations. We pride ourselves in only promoting those individuals that we too would use in our own herds, bulls or females. We will let the catalog and footnotes speak for themselves but as always if you have ANY questions at all about the offering or are in the area, please feel free to stop by, we would love to show you the set, visit with you and talk cattle!

And lastly, but certainly not least, we need to make our many thanks to all those who lend a helping hand in sale preparation. To say it takes a village is an understatement and we could not do it without all hands on board. We couldn't ask for a better industry to be a part of, to work and live and raise our children in. So, THANK YOU, to our customers, family and friends, we are ever grateful to you.

Justin Holt Cattle
 Justin, Kali, Charlee & Cooper Holt

Welcome and thank you for your interest in these great cattle. I would first like to open by expressing my gratitude to the Holts for inviting us into this production sale. With the closing of the Miller sale barn, we were deliberating on our options for this year's sale and when Justin invited us to join the Hybrids for Profit sale, we knew immediately that it would be a great fit. We have both utilized each other's genetics in the past with outstanding results and have realized that they complement each other well. My hope is that the customer base from both operations will benefit greatly by the diversity and quality of Chi genetics gathered here and that this will be the premier event for you to select future herd sires and quality females for years to come.

There will be a good selection of both performance bulls and calving ease specialists for your evaluation, all with the added benefits of their maternal strength and hybrid vigor. They have been selected for disposition, structural correctness, and breeding soundness. All the bulls have been developed on growing rations to optimize breeding potential and longevity.

The select group of females offered is definitely a sale highlight. These are top quality females that are hard to part with, but it is always rewarding to follow their success in our customers herds. Most will have calves at side for your evaluation and the work has been done.

We are extremely excited about joining the "Hybrids for Profit" sale and we thank you again for your interest and support. We look forward to seeing you April 17th in Aberdeen, SD.

TERMS & CONDITIONS ...

Terms – Terms of the sale are cash or check (with proper ID) payable to Aberdeen Livestock. Cattle will not be released from the Aberdeen Livestock barn until payment or satisfactory arrangements for payment have been made and approved by the consignor. The consignor reserves the right to require a certified check as settlement before releasing any cattle. All lots offered sell under the standard terms and conditions endorsed by the American Chianina Association.

Retained Interests – Justin Holt Cattle & Beckett Ranch are selling two-thirds interest and full possession on all registered bulls offered. They are retaining a one-third revenue sharing semen interest only. This means you have full control or possession and all salvage rights.

Purchases & Risks – All animals are at owners risk prior to sale and become property of the buyer as soon as declared sold by the auctioneer.

Insurance – Available through Krohmer Agency, Inc. day of sale. See insurance ad inside catalog.

Bidding – All lots sell to the highest bidder. Any disputes or challenges regarding bids will be settled by the auctioneer and ring men. The auctioneer's decision will be final.

Absentee Bidding – If you will be unable to attend the sale, please contact Justin, Kali, Troy, Alan Sears or any of the sale day phones or livestock press representatives to secure a bidder number and place orders, or you may also bid online the day of sale at www.dvauction.com.

Guarantee – We highly recommend purchasing livestock insurance on all purchases to insure adequate

return on your investment if something should happen. Bulls will be accompanied by a semen analysis certificate. All bulls selling at \$2,750 or higher are selling fully guaranteed for the first breeding season (120 days). If you have an issue with a loss of use due to non-breeding, contact us immediately so that we may provide a suitable replacement if available or issue a credit on future purchases less salvage value.

Announcements – Announcements from the auction block will take precedence over the printed material in this catalog and other announcements.

Liabilities – All persons who attend this sale do so at their own risk. Justin Holt Cattle, Aberdeen Livestock or any other consignee's assume no liabilities for any accidents that may occur. The auctioneer or consignee's assume no liability for loss or injury to the livestock due to theft, mysterious disappearance, sickness, improper handling or an act of God.

Registrations – All animals selling are registered with the American Chianina Association unless otherwise stated either in catalog or on the block. Registration certificates will be transferred to the new owner within 30 days of the sale. Please be sure to leave complete and accurate transfer instructions with the sale clerk at the time of settlement or timely transfers cannot be guaranteed.

Herd Health – Our bulls have been treated with the following: Ultrabec 7, EnForce III, PHM-1, Dectomax Injectable & Dectomax Pour On. All animals will be accompanied by proper health certificates making them eligible for interstate shipment. Prospective buyers should make themselves aware of health requirements for their respective states.

- What a chunk! Monster middled, moderate, sound footed, and brockle faced; this bull's hard to walk past
- He's got maternal bred into his pedigree several generations back and comes from an incredibly consistent line of females
- Suitable for use on heifers, this bull sires the calves that bring a premium
